To the District Court of the United States,

I Rubin J. Montgomery filed a lawsuit against the Classification Department of Chatham County Detention Center the case # 4-22-CV-14 while still incarcerated. I since been released AND am presently without work or employment. I am awaiting a new Birth Certificate to obtain a State Identification. I was also banned from Chatham County. I am currently residing in New Jersey at 154 Ursinus Ct. Pemberton N.J. 08068.

The processing fee I am willing to pay once I received my Birth Certificate and gain employment. In reference to the complaint - (lawsuit), if there

Would be a subpoena of the Kiosk Records under my name it will reveal the refusal to remove me out of Admin-Seg. And any video footage from the month of January (the hub footage) would show that it (the tray I received regularly) was pointed out at breakfast and dinner times. The breakfast was approximately between 6:00 - 6:30 am - dinner between 4:00 - 4:00 pm.

I am really hoping that any investigation of this matter will reveal exactly what I have described and that this matter maybe settled in a timely fashion

Sincerely,  
Rubin J. Montgomery  
Def. Mon
